

# Aproflo ETHDenver

**Aproflo** is a fully-integrated educational program and network focused on emerging trends, curriculum enhancement, industry partnerships, and authentic student experiences. We offer ongoing curriculum integration opportunities and programming throughout the year as part of our *flow* with multiple university partner institutions.

As an ETHDenver partner, **Aproflo** is here to help you maximize your ROI. We are your boots on the ground in Denver, planning your #BUIDL Week event and increasing awareness of your project prior to, during and after ETHDenver.

*Blurring boundaries between earning, learning, and living*
